

REMARKS--General

Examiner stated that claims 2 and 3 would be allowable if rewritten to overcome the rejections under 35 U.S.C. 112, 2nd paragraph and to include all of the limitations of the base claim. This was done by combining claims 1 and 2 into new claim 5. Claim 3 is now claim 6.

No changes are required to the drawings as explained above unless Applicant has misunderstood Examiner's comments.

Applicant hopes that he has responded to the Office Action in an appropriate manner.

Requests For Constructive Assistance

The undersigned has made a diligent effort to amend the claims of this application so that they define unobvious structure because it produces new and unexpected results. If for any reasons the claims of this application are not believed to be in full condition for allowance, applicant respectfully requests the constructive assistance and suggestions of the Examiner in drafting one or more claims pursuant to MPEP 707.07(j) or in making constructive suggestions pursuant to MPEP 706.03(d) in order that this application can be placed in allowable condition as soon as possible and without the need for further proceedings.

Very Respectfully,

Guy Carpentier
